## **Spring 2008 Newsletter**

A District 6 Update from April:

Hello! I hope this newsletter finds you all doing well and that your new year is off to a great start. Things have been quite hectic here for me. I started a new job and bought a new car; all in about 2 weeks time. Wow, lots of changes!

2008 is turning into a very busy time for LPA as well. At the 50<sup>th</sup> National conference in Seattle it was approved to hold a mid-year board meeting. The weekend of February 1<sup>st</sup>-3<sup>rd</sup>, I traveled to Irvine, CA. While there we did some strategic planning for the next 3 years. I will discuss the meeting at the regional.

On February 16<sup>th</sup> I held an all day officer retreat in Rockford, IL. I wanted to get everyone up to speed on National news as well as work on some outstanding District 6 topics. As a group we came to agreement on several issues. A meeting summary starts on the bottom of the page. **Some changes and new regional guidelines have been implemented so, PLEASE read all the important updates!**

I hope everyone is doing well and I look forward to seeing you at the spring regional in Green Bay! The registration sheet and schedule of events is enclosed.

### **District 6 Officers Meet in Rockford!**

After the Lombard regional it was decided the chapter presidents needed to get together and discuss some LPA business. On Saturday February 16<sup>th</sup> we met in Rockford for an officer retreat. Unfortunately Tom Lash was unable to make it; he was busy doing taxes, but the rest of the D6 chapter presidents were there. A variety of topics were covered ranging from an overview of National and a summary of the midyear Irvine meeting to local events and finances. I have included some important notes that came out of the meeting below. These will be discussed in more detail at the Green Bay regional. Please refer to the National news update located inside.

- **District Boundaries** - This mainly concerned the Michigan UP being merged with the Northern Lights chapter or they having their own chapter. The UP is currently apart of District 5 and they and they are working hard to become their own chapter. We will continue discussions about this before anything is decided. We also discussed the large area that the Little Prairie covers.

More discussions about boundaries as well as national approval will have to take place before any changes are made.

- **Lack of volunteering at the chapter level** - As a group we noticed that the same people volunteer to host events. We also acknowledged as a district we are bouncing back from the huge volunteer responsibility of holding a national conference. We recognize people are busy, so instead of trying to hold lots of small events that people try to attend we will concentrate on our standard events such as the bowling party in the Chicago area. We will work on getting those events stronger and continue to encourage people to hold events. This is not something that can change overnight or be corrected with a simple solution. We also came up with a survey to ask our membership how we can encourage volunteering and attendance. Over the next several months we plan on analyzing these survey suggestions to come up with some new ideas for events and encourage more attendance!
- **District 6 2008 Theme: “Getting to Know District 6”** – First off I’d like to thank Allison for bringing the start of this idea to our officer meeting. Earlier this year she mapped out her chapter’s membership based on location, status and age. The results were very informative and she could use this to plan events in better locations and more customized to that area’s age group. From this we decided it would be extremely beneficial to do this for our entire district. I’ve already started this project and Allison is going to come for a visit and help me complete it. The results will be presented at both the Spring and Fall 2008 regionals. I will also include a summary in the next newsletter.
- **Finances** – This topic was mainly tabled because Tom our district treasure was not present. It currently appears all chapter presidents will be at Green Bay and an in-depth discussion will take place during the officer meeting. Before the Green Bay regional a report of our current finances will be created. After the meeting a detailed financial report will be given to District 6 members. With the completed surveys and our project to analyze District 6, we’re hoping to make some financial decisions to benefit members.

**REGIONAL NOTES – Please read this some changes will take place starting at the Spring Regional ! Each item was unanimously agreed upon by all present chapter presidents.**

1. A lower registration fee for students and senior citizens.
  - a. Student Registration is \$10 a person. A copy of the valid student ID must be enclosed with the members registration form and/or present onsite.
  - b. Senior citizens are \$10 a person or \$20 a couple – a senior citizen is 65 and older.
2. Registration fees will remain unchanged for 2008.
  - a. Paid Members are \$20 for individuals and \$30 for households
  - b. Non-Paid Members are \$30 for individuals and \$40 for households
3. Onsite Registration will be \$5 on site per category as well as \$5 more per event IF that event can be purchased onsite. For example if banquet is \$20 a meal it will be \$25 onsite.
4. Registration will only be available during set times. If you cannot make it to registration during these times you MUST make prior arrangements. For Green Bay it will be:
  - a. Friday Registration: from 6:00 PM to 9:00 PM.
  - b. Saturday Registration: From 8:00 AM to 10:30 AMRegistration will not be available during the general assembly meeting. Once the meeting is over ½ of the regional is over therefore registration is closed. Again if you do NOT plan on getting there until the afternoon arrangements can be made and you will be able to register sometime Saturday afternoon.
5. Bracelets will now be required to get into the dance on Saturday night. If you do NOT register for the regional you will not be permitted into the dance; unless you pay for the dance specifically. Chapter presidents will be monitoring the door.

6. If you choose not to register for the regional and come just for the dance it will be a \$10 cover charge. Please contact April with concerns. Please see “What does registration pay for?”

### **What does Regional Registration Pay For?**

Many times I get the question “Why do I have to pay to come to a regional?” Listed below are what your regional registration goes to pay. Since most of the charges generate from the dance we will charge a cover charge to offset those costs.

- DJ – The average cost is between \$300 - \$500 depending on the location
- Hotel Fees – Room set ups \$100 or more per room; installing the dance floor \$550 (labor cost)
- Banquet decorations – If used minimal costs
- Audio/Visual fees if we use AV
- Name tags or badges
- Wrist bracelets
- Paper & printing costs for tickets, schedules, agendas, registration envelopes, etc
- Hospitality room food – In Lombard the fee for Friday night did NOT cover the cost for the food
- Kids room supplies and snacks
- Supplement Attic when necessary
- Guest expenses – For example when Dr. Pauli comes any food or beverage he wants

**Regional Reminders-** These have been long standing regional guidelines and serve as a reminder.

1. If you use a different hotel room discount such as AAA the room does not count towards the LPA room block. LPA is fined if we do NOT make our room block. Please let me know if you are making a reservation outside the room block because of pricing and I will work with the hotel. FYI: In Lombard we did NOT make our hotel room block and LPA was fined \$1500, this was actually ½ of the original fine. However at the WI Dells regional we exceeded our room block by more than 20 sleeping rooms that weekend. The room block is hard to determine please make your reservation in LPA’s block.
2. The Kids Room is designed to provide a place for children to interact with their peers while parents participate in LPA related meetings. Parents are expected to stay at the hotel and pick up their children in the Kids Room at the designated time. We want to appreciate volunteers that assist us with the Kids Room so please be considerate of their time.
3. Regional Payment: Please send checks or money orders payable to LPA for mail in registration. These checks are NOT deposited until after the regional, in case there’s a problem with your registration. For onsite registrations cash in the amount will be accepted. In the event that your check is returned for insufficient funds, a returned check fee of \$15 is applied. You cannot attend another regional until payment of the original amount and the \$15 fee are received.
