Wrap-Up Of Events

Holiday Party Wrap-up

A special thank you goes out the Keswani Family for opening up there home to us and hosting an absolute lovely Holiday party. About 35 guests were treated to an Italian cuisine and a wide variety of holiday goodies. Children created home made Gingerbread houses which were given away to lucky party goers. All had a “Merry ole” time and lasting memories will be forever remembered. See page 3 for all the festive pictures.

Employment Opportunities

In attending LPA 's Employment Commission's webinar I came across an organization that provides home-based work for America's with disabilities. National Telecommuting Institute, Inc. (NTI) is a 501 (c) (3) nonprofit organization whose mission is to identify and develop work-at-home jobs for home-based Americans who are physically disabled. New job openings arrive all the time and cover a variety of full-time & part-time home based jobs. If interested go to www.nticentral.org for all the details.

Chapter Finances

We would like to once again thank Else Strick & David Partak for making a year end donation to our Chapter. Our ending year operating balance was \$1,408.69 and we had a balance of \$1,058.00 in our C.D.
